

Martin's Potato Chips

Martin's was proud to accept the **Pink Ribbon Award** from the PA Breast Cancer Coalition on October 13, 2010.

In December 2011, Martin's donated over **\$27,000** to the PBCC from the October sales of the Pink Breast Cancer Awareness Bag.

Martin's attributes its success to its loyal customers and the retail chains who participate in the pink bag program. Thank you for helping in the fight against breast cancer and its awareness.
